6th January 2017

Dear Parents and Carers

Happy New Year to you all!

I am delighted to introduce myself to you as the new interim head teacher of Carrington Junior School. All the staff, children and governors have made me feel very welcome and I feel very happy to be joining your school community.

I have been working in education for nearly 30 years, most of which have been in senior leadership. I have been a head teacher for over ten years in two schools and counties and have thoroughly enjoyed not only the challenge that headship brings, but also the privilege of working with children.

My priority is to ensure that Carrington Junior has the highest possible standards of teaching and learning whilst having excellent pastoral care to ensure our children feel safe and happy at all times.

For me the needs of the children are always paramount in the life and decision making within a school. I strongly believe in providing the children with exciting, creative and meaningful learning experiences, which build their enthusiasm for learning and help them to grow and develop positively in a variety of ways.

Working in partnership with all parents and carers is a key ingredient to ensuring that our children find school a positive and rewarding experience. Achievement and enjoyment go hand in hand to ensure each child's excellent progress and I hope you will continue to support your child.

I hope to get to know you over the next few weeks. I will be outside welcoming all parents and carers in the mornings as often as possible so please do introduce yourselves. If you have any suggestions for improving our school then please make an appointment in the office to speak to me.

Finally, I would like to thank you for your continued commitment and support towards the children and staff of our school.

With every best wish for 2017.

Mrs A Majcher
Interim Head Teacher
