Dear Parents/Carers

## E-PAYMENTS

From today, Monday 11<sup>th</sup> June, the school will be cashless. This means that parents/carers should make direct payments to the school through the online ePay facility via the Carrington Junior School website - [www.carringtonjs.co.uk](http://www.carringtonjs.co.uk). This online payment facility makes the receiving of monies easier and secure and parents/carers can pay direct to the school, eliminating the need to send children into school with cash or cheques.

Parents/carers will need to have a PayPal account (the first two payments will still work without a PayPal account), and this can be set up via ePay too.

Parents/carers will need to use the email address they have provided to the school. If you have forgotten your password for eSchools, there is a prompt to reset it. Please find attached a parents/carers user guide to assist you.

If you have any queries, please do not hesitate to contact the school office.

Yours sincerely

Mrs A Majcher  
Head Teacher
