

Carrington Schools PTA

We've had a slightly grey and chilly start to the summer term but we have plenty of reasons to look forward to lots of fun ahead! Once again we have a term packed with great events, some of which will be brand new to Carrington and we have great hopes that they will raise lots of funds for the schools and be very enjoyable too!

We ended last term on a (chocolate) high, with a brilliant Film Night and Disco, both big favourites of the children and a scrummy Easter raffle. All the events were hugely successful and we're grateful to all the parents and staff who organised, volunteered at and supported these events.

We have just as many exciting events coming up too, including the Circus - which promises to be a night full of amazing tricks, crazy stunts and fantastic food and drink.

If you have already bought tickets please contact us to collect them. If you haven't bought tickets yet, there are some remaining that will be sold on the night. Gates open at 4.30pm. See you there!

We also have our annual Summer Fayre fast approaching. All of the stalls have now been allocated to classes so please speak to your rep to find out which one your class is running this year - they will need your help! Look out for letters coming home after half term about donations and helping on the day!

We've also been busy putting your hard earned funds to good use and have been delighted to see some really great projects get funded. Along with those listed, we have funded a brand new £12,000 reading scheme that has been implemented at the Junior School and a £1,000 Lions of Zululand workshop which seems to have been a massive hit with the Infant School! These are such a good reminder of why all the fundraisers are so important and the wonderful impact they can have on the experiences our children have at the schools. Thanks to you all!
