6th October 2020

Dear Parents/Carers

This year, the Infant and Junior School are having a shared focus for Harvest. Due to Covid-19, we are sadly unable to follow our usual plans and welcome you in to school. However, we would like to focus on the themes of Kindness, Generosity and Thankfulness.

To this end, we would like to take donations for One Can Food Bank and Trust, a local and well-known charity.

At both schools there will be drop off points for donations of the following items:

- Tinned fish
- Pasta/cooking sauce
- Tinned meat meals
- Tinned ham
- Tinned potatoes
- Toothpaste
- Tinned fruit
- Long-life milk
- Jam / Spreads
- Shampoo and shower gel
- Reduced salt corned beef

Both schools will be celebrating Harvest with Reverend Isaac Knight, who will share Harvest messages with the children.

Thank you for supporting those most in need at this very challenging time.

Yours sincerely

Mrs A Majcher
Head Teacher
