

Carrington Junior School Autumn Term Newsletter 4

28th November 2025

Message from Mrs Cameron

We seem to have quickly moved from Autumn and into the season of winter, with our first snow flurries. From crunchy Autumn Days to dark winter nights, we are almost at the end of our evening club sessions, as it is simply becoming too dark.

Thank you to all parents that park slightly further from school, just round the bend at the top of the road. School council will be launching something exciting about journeys to school next week. Watch this space!

Now that it's winter, on trickier weather days, please remember children may change into their school shoes at school. We recognise that sometimes wellies or snow boots may be needed on the way.

Recognition for music and eco warriors

Last half term, we were able to tell you that we had achieved the sports mark Gold for the third time running.

This half term we have received news that the eco ambassadors have done so much work over the year with Mrs Randall that they have achieved the Green Flag Eco Award.

In addition to this we have been given a music recognition award from the Bucks Music Trust and Ms Gibbons has been invited to speak about the musical provision at Carrington Junior School at the next county music conference.

Well done to all the children involved, with thanks to Mrs Randall, Ms Gibbons and all our visiting music teachers for helping us to achieve this.

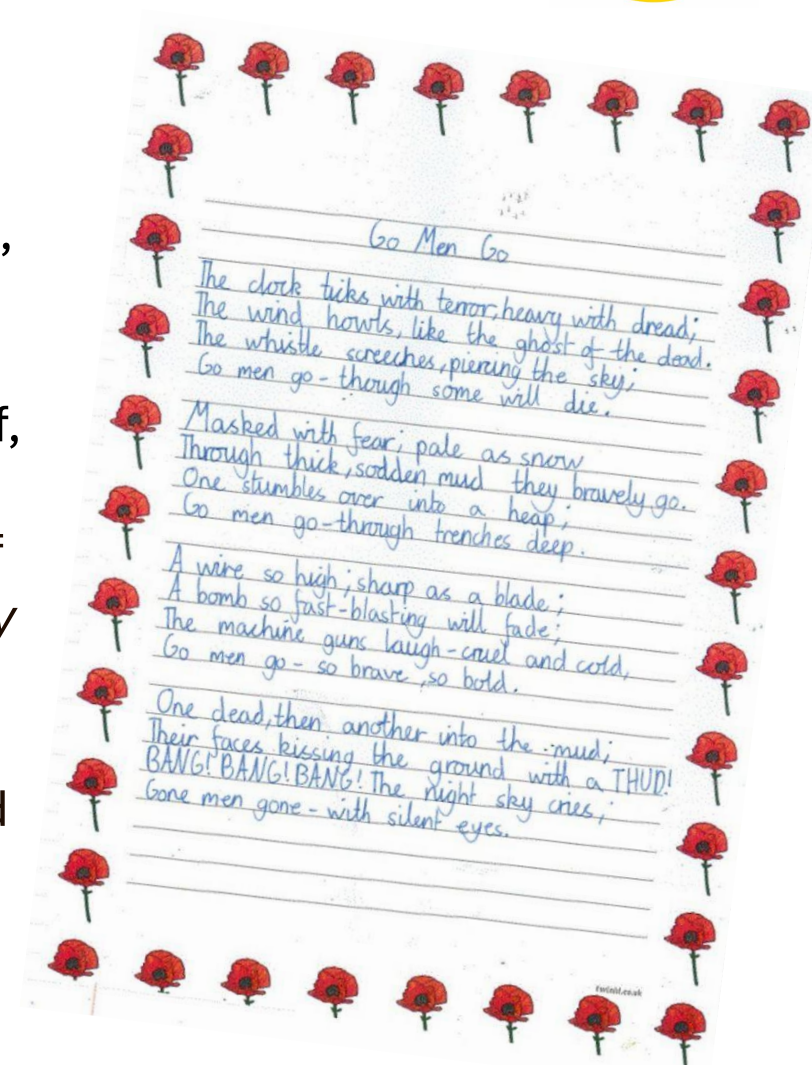

Remembrance at Carrington Junior School

Two of our prefects attended Remembrance Sunday, along with Mrs Cox, and laid a wreath.

On Remembrance day itself, a special assembly was held, with a performance of "*Abide with me*" and "*Danny Boy*" from the choir. We then all observed a 2-minute silence, and Mr Reid played "*The Last Post*" on his trombone.

Federation updates

Mrs Cameron and Mrs Cliffe meet regularly to discuss how we can improve links between the schools and make transition as smooth as possible.

This term, we have been meeting to discuss staff training and approaches and looking at how we can build more similarities between the ways the schools communicate and aligning some key policies.

Coming next term, we will be aligning our newsletters to try to share similar information across the schools and bringing the timing of the newsletters into line with each other.

Visits and experiences

Just a few of the things our pupils have been up to this month... from experiments with rocks and fossils in Year 3, to Forest School, Year 6's geography field trip afternoons, and visits from the fire service for Year 5.

We have quite a few trips and visits coming up still this term, including the history man and Ufton Court trip.

House Charities

- This year each of our school houses has selected a house charity and will be raising money for this through a house event.
- The children have chosen their own events- we look forward to some exciting activities throughout the year.
- First up is Bing!

**Year group performances coming up
this year:**
