

Carrington Junior School Autumn Term Newsletter

5th September 2025

Message from Mrs Cameron

It has been wonderful to welcome all the children back to school. There was a lovely feeling across the school, while children completed activities to get used to being back in school, and to get used to new routines with their teachers. At the end of the day, I got to hear parts of several class stories being read out before opening the gates.

We also learned in assembly about the origins of the school, and the cherry orchards that once stood on our site.

Children will be doing much more in their houses this year, over the next few weeks our newer pupils will be finding out if they are in Bing, Stella, Morello or Tulare house, all different names of cherries.

Here's to a great term.

Meet the Teacher

The September meet the teacher evening will be on Wednesday 17th September after school. At this meeting there will be a talk at 3:30pm and again at 4:15pm for parents and carers (to allow parents to visit more than one year group).

For parents not able to attend the meeting, the slides with information about the year will be shared on SeeSaw.

There will be a brief opportunity to talk to teachers face to face between the talks.

Culinera School Lunches

We apologise for the difficulties with the new ordering systems from the new catering company at our lunch provider.

<https://myculinera.co.uk/bfh-carringtonjunior>

We are still working for all families to receive their login, we hope that this will be completed with messages coming home this afternoon. If any families are still having difficulties after the weekend, please can you complete this [form](#) and we will pass the information on.

All families requiring lunches for their children **MUST** order food by 8am on the day of service at the latest, or there will not be enough food for a lunch to be provided. This applies to all families, including those eligible for free school meals.

In the case of no order being made, parents/carers will be called and asked to provide a lunch for that day.
