

Carrington Junior School Newsletter

Dear Parents & Carers

December 2021

A Journalist for Year 6

The children were really pleased to have a 'real' journalist come to talk to them. They asked lots of very insightful questions about how to get into journalism, how to be successful ... We shall be reading a column from some of our Year 6s soon!

A Final Word from Mrs Majcher

As my tenure at Carrington Junior ends, I wish you a very happy and safe Christmas and 2022. Thank you for the support you have shown me over the years, from covering our Big Cat books, buying us a Christmas tree, to smiling and greeting me in the mornings, it has all be very much appreciated. I leave you with a truly great school, one that I would be proud to have sent my own children to. The dedication, care and love that the staff show your children is exemplary. Please continue to support the school so that the journey ahead continues to be a good one.

And really finally ... I was very touched to receive the thoughtful amazing gifts from yourselves and the children. Just perfect. A rose with an easier surname than mine! properly labelled gardening tools so I will never lose them, a specially engraved terracotta pot filled with fabulous seeds itching to be planted, and a National Trust membership to fill up my time visiting beautiful places. Thank you everyone, you've been the best parents, carers and children ever!!
