Monday 11th November 2019

Dear Lovely Children of Carrington Junior

Christmas Tree Decoration Competition

Once again we will have the most beautiful and original school Christmas Tree and we need your help to decorate it. So here is your chance to create your very own 3D Christmas decoration and win a prize too!

Be as imaginative as you can. We will be looking for originality, skill and flare. Remember the decoration must be able to hang or be attached to the Christmas Tree and measure no wider than 12cms and no longer than 15cms.

There will be prizes for 1st, 2nd and 3rd in each year group. **Please bring in your decorations by Tuesday 26th November. GOOD LUCK!**

Yours sincerely
