### PARENT / CARER

Parent / Carer .....

#### To help my child at school, I know and understand that:

- ◇ I will check my child for symptoms each morning including checking their temperature;
- ◇ If my child, or anyone in my household, shows symptoms of COVID-19, we will get tested and self isolate as a family until the results are received. I will let the school know the results as soon as possible via telephone or email;
- ◇ If my child shows symptoms of COVID-19 at school, I will collect my child from school **immediately**;
- ◇ When dropping off and picking up, I will strictly stick to the school timings for my child;
- ◇ I will teach my child the symptoms of coronavirus so they can tell an adult if they have them ;
- ◇ My child will only bring a water bottle, a fruit snack for playtime, PE kit in a bag, stationery, coat and a lunch box (unless ordering from SchoolGrid) These items may be carried in a small bag. All equipment will stay in school apart from used lunch boxes, bottles and PE kits which will go home to be cleaned and replaced;
- ◇ My child will not bring any other items into school with them (including a mobile phone) or take items home from school;
- ◇ My child will know how to use good respiratory and hand hygiene;
- ◇ I will not be allowed into the school without a prearranged appointment – make appointments via telephone or email;
- ◇ I need to support all staff in their efforts to create an 'as safe as possible' environment during this crisis;
- ◇ I will read all letters/messages/emails that are sent home;
- ◇ I need to inform the school immediately of any changes to parents/carers and emergency contacts details;
- ◇ If my child is deemed unsafe, (including deliberately not maintaining distances or not following safety protocols) the Behaviour Policy will be adhered to and they may be sent home.

### Updated guidance on Covid-19 symptoms and isolation

Government guidance states that parents/carers need to be ready and willing to:

Let the school know if a member of your household is showing symptoms of coronavirus (COVID-19). In this case, your child must remain at home.

The symptoms are:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

They should:

- book a test if they are displaying symptoms. Pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be PCR tested, including children under 5 ( but children aged 11 and under will need to be helped by their parents/carers if using a home testing kit);
- provide details of anyone they have been in close contact with, if they test positive for coronavirus (COVID-19), if asked by NHS Test and Trace;
- self-isolate if they have been instructed to by NHS Test and Trace ([When to self isolate](#) guidance)

Anyone who displays symptoms of coronavirus (COVID-19) can and should get a PCR test as quickly as possible. Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet.

Parents should inform the school immediately of the results of a test:

- if someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. Other members of their household can stop self-isolating.
- if someone tests positive, they should follow the '[stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#)' and must continue to self-isolate for at least 10 days from the day after their symptoms began .
- If they have tested positive whilst not experiencing symptoms but develop symptoms during the isolation period, they should restart the 10 day isolation period from the day they develop symptoms.

Other members of their household (including any siblings) should self-isolate for 10 days from when the symptomatic person first had symptoms or tested positive.

In the event of Covid-19 symptoms showing during the school day, the pupil will be isolated and supervised until they can be collected from the outside door. Staff may wear a mask for this, adding gloves and an apron if they need to directly make direct contact with the child.

\*If hub closures and staff isolations mean that we cannot safely open individual classes or the school, then in line with our risk assessment, individual classes or the school may remain closed. There may be times where it may be necessary to move to an alternative protocol whereby hubs will be sent home upon the appearance of symptoms rather than upon a positive test.

All guidance is subject to change in line with government guidance and at the discretion of the head teacher.
