10th September 2021

Dear Parents and Carers

Just a few gentle reminders at the end of our first full week.

Collection at the end of the day

Thank you for adapting to the new start and end times. We are aware that times are tight between some Infant and Junior collection times. We appreciate your efforts to arrive promptly and will completely understand if you are a few moments late for collection.

'Our Time' offer wraparound care for parents that are not able to collect children at the end of school.

Arrival at the start of the day

There are now many more people waiting at the start of the day and the entrance is busy. Please remember that the car park is in use with council taxis dropping off children for the start of the day, and the road is constantly busy. For this reason, we would ask that you please use the large pavement area by the library to wait with your children. The pavement area beside the hedge leading to the Infant School is very narrow and should only be used as a crossing point, not for waiting. This way we can keep the children away from standing on the road leading into the car park and they will be safer.

Communicating with school

Please contact your child's teacher via SeeSaw and they will respond to you as soon as they are able to. Teachers are teaching as soon as children enter the classroom, so if the matter is urgent please contact the school office.

Teachers will be making contact with the parents that have requested wellbeing phone calls at the allotted times next week.

First full week back

Well done to Year 6 for completing their secondary transfer tests maturely during this week and Year 3 for adapting so well to a new school. All children have started their whole class music lessons and sports coach lessons – we hope they are enjoying their new instruments.

We hope you have a relaxing weekend and look forward to seeing you again on Monday.

Yours sincerely

Mrs A Majcher
Head Teacher
