20th November 2026

Dear Families,

It has been another busy and productive week at school. As I have visited classrooms throughout the week, it has been wonderful to see so much high-quality learning taking place across the classes. Children have been engaged, enthusiastic and demonstrating excellent attitudes to their learning. We are incredibly proud of the effort, resilience and determination they show every day, and it is always a pleasure to see them thriving in their lessons.

A gentle reminder that every day in school matters. We know that children will occasionally be unwell and need time to recover; however, where children have only minor ailments and are well enough to attend, we encourage parents to send them into school. Missing lessons can quickly add up and may impact both academic progress and friendships. Good attendance supports children to achieve their best, build confidence and remain connected to all aspects of school life. Thank you for your continued support in helping us ensure that every child has the opportunity to make the most of their education.

Pupil Committees

This week also saw meetings take place for our School Council, Sports Council, Eco Council and Respect Ambassadors. It has been wonderful to see so many children embracing these important leadership opportunities and taking their responsibilities so seriously. Through these groups, pupils have the chance to make a real difference to our school community, share ideas and help shape future developments. We are incredibly proud of the maturity, commitment and enthusiasm they demonstrate in these roles.

School Disco

A huge thank you to everyone who attended our school disco on Thursday evening. It was lovely to see so many children enjoying themselves, spending time with friends and confidently strutting their best dance moves on the dance floor! The smiles, laughter and energy throughout the evening made it a fantastic event for all involved. A huge thank you to the incredible PTA who run these events to raise money for our school.

Young Carers Visit Wycombe Wanderers

This week, our Young Carers enjoyed a special visit to the Wycombe Wanderers Football Club Training Ground, where they had the opportunity to meet members of the team and learn more about life as a professional footballer.

The visit focused on the theme of resilience, and the children heard inspiring stories about perseverance, overcoming challenges and maintaining a positive mindset. It was a valuable experience that encouraged our young carers to reflect on their own strengths and the importance of never giving up when faced with difficulties.
