4<sup>th</sup> June 2019

Dear Parents/carers,

On Wednesday July 10<sup>th</sup>, Year 4 pupils will be taking part in a Roman afternoon. This will involve a range of activities and will be the climax of our Roman Britain topic. To help the pupils be immersed in this, your child has been given a specific part to play. This information will be stuck into their planners.

This event will also include a Roman feast. To cover the cost of this, please can you make a voluntary contribution of £1.50. Food items will include olives, bread, olive oil, dates, figs and honey. The children will still have their normal lunch on this day as the feast is just a tasting opportunity. If your child has a food allergy, please can you speak to Ms Gibbons so we can work together to provide an alternative?

We would also love some help from our parents so if you want to come and dress as a Roman we would be most happy to welcome you. Please contact us via the office to let us know to expect you. Be aware that adults on this day will be playing the role of slaves so be prepared to be sold to the highest bidder!

Best wishes,

Ms Gibbons and Miss Kaca
